## WEATHER WISDOM

**Sunset Colors**—A gray, lowering sunset, or one where the sky is green or yellowish green, indicates rain. A red sunrise, with clouds lowering later in the morning, also indicates rain.

**Halo (Sun Dogs)**—By halo we mean the large circles, or parts of circles, about the sun or moon. A halo occurring after fine weather indicates a storm.

**Rainbows**—A morning rainbow is regarded as a sign of rain; an evening rainbow of fair weather.

**Sky Color**—A deep-blue color of the sky, even when seen through clouds, indicates fair weather; a growing whiteness, an approaching storm.
